MUTUAL EXCHANGE

Looking to swap your home?

If you are a tenant and would like to move to a different property, a mutual exchange may be an option for you. A mutual exchange allows two tenants to swap homes, subject to eligibility checks and approval from both landlords.

Changing Lives Homes is committed to supporting tenants who wish to explore mutual exchange opportunities. We will publish details of suitable exchange opportunities on this page to help tenants identify potential matches and make informed decisions about moving home.

If you are interested in a mutual exchange, would like to register your property, or need advice about the process, please contact us:

Email: homelife@changing-lives.org.uk

Telephone: 0191-273-8891

We will provide guidance on eligibility, the application process, and any approvals required before an exchange can take place.

Please note: No fee is charged for accessing information about mutual exchange opportunities. All proposed exchanges are subject to assessment and formal approval in accordance with our policies and legal requirements.
